Summer 2014

Dear Friend of FANHS,

On July 31st - August 2nd, 2014 the San Diego Chapter of the Filipino American National Historical Society (FANHS) will host the 15th Biennial FANHS National Conference at the Kona Kai Resort on Shelter Island. We anticipate o v e r 3 00 attendees for the Gala which will highlight Dr. Connie Mariano (former Physician to the U.S. Presidents) as the featured speaker. Conference attendees will include community leaders, members and organizers, writers, seniors, scholars, and students.

Since the establishment of the Filipino American National Historical Society in 1982, these conferences have provided leadership in academic research, community development, student advocacy, and most importantly the recognition of Filipino American contributions to the historical fabric of the United States.

FANHS was established to promote understanding, education, enlightenment, appreciation, and enrichment through the identification, gathering, preservation, and dissemination of Filipino American history and culture. As a national organization we have 30 Chapters throughout the United States. Furthermore, FANHS members have published many books over the years to highlight the communities represented by our FANHS Chapters, including *Filipinos in San Diego - Images of America*.

The 2014 conference theme is "KAPWA: Moving Forward in Unity." Throughout our communities there are many disparate organizations that represent social, cultural, civic, educational, political, and regional interests. KAPWA: Moving Forward in Unity is meant to encourage Filipino Americans to develop a collective conscious and work together on issues that benefit not only the Filipino community but the community at large.

We would like to extend an invitation to you or your organization to participate in our Sponsorship Initiative, Program Advertising for the Gala, or Conference Registration. The attached information is provided for your review. Your generous contribution will be highly appreciated, and as a 501(c) (3) nonprofit corporation, your receipt will serve as your documentation. We also welcome your conference registration and attendance. Finally, for further information about FANHS and conference updates, you may visit our FANHS National website at http://fanhs-national.org/filam/th_event/2014-fanhs-national-conference-in-san-diego/ or the FANHS San Diego Chapter website at www.fanhs-sandiego.org or send us an email at info@FANHS-SanDiego.org.
